ALLERGEN INFORMATION

Please note: *Our allergen information is kept up to date but recipes may change, so please check each time you visit. If you have a food allergy or intolerance, speak to our team before ordering. While we take care to reduce cross-contamination, we cannot guarantee any item is completely allergen-free. If you have a severe allergy, please exercise caution when dining with us.*

IMPORTANT*: All fried items are cooked in fully refined groundnut (peanut) oil. The refining process removes virtually all allergenic peanut proteins, making reactions highly unlikely. However, groundnut oil is derived from peanuts and must still be declared as an allergen under UK food regulations. Customers with peanut allergies should consider this information carefully and speak to our team before ordering.*
